Reflections

"Some people come and go and are forgotten. But there are other people who share a part in our destinies. They come, they go, but they are never forgotten. They come, they go, but even after they go.... they're still here. They never really went anywhere."

Editorial

You know what I have been thinking lately after the Christmas and the New Year Day? It was all about the pristine ambience that would have drifted from the heavens and now rests in the warm cockles of all the Rimcollians' hearts. The chilly mist envelops the College Campus, but there is something that sends a sense of warmth round our hand, head and heart, bolstering the inner self to pop out of the Dystopian biome and run for fun to make, maintain and modify our robust physique.

A couple of days after the January Term commenced, it was the Commandant's Special Assembly which wowed the College with feverous vigor and energy, igniting each and every Cadet to affix, affirm and achieve his goals in the promising times.

We can see people having a lot of chin wag around as the green horns blossomed in the year, early in January, spreading delight, surprise and laughter with their humorous, emotional and innocent potpourri. Lonely lemon stems, light stiff branches devoid of leaves, dry grasses and sniffing nose serve as a motivation to warm and charm ourselves in the eve, resulting in a friendly local derby, be it in the Basketball Court or in the OT Lawn.

With New Year, new Appointments and new Term's Blessings, how can new learning be left behind and thus the unveiling of Scholar Warrior Statue at the threshold of Academic Block and the Learning Resource Centre - the perfect juxtaposition of 'The Honour Code' and 'IF' that ensures to make us dab handed for every challenge the Term has in store for us.

Farewell

COL VIVEK SHARMA

Commandant RIMC, Dehradun

(5 April 2016 - 30 January 2020)

Journalism Club dedicates this first Chronicle of the January Term 2020 to Col Vivek Sharma and his family. Col Vivek Sharma has had an extremely fruitful and brilliant tenure of almost more than three and half years at the RIMC. He joined RIMC as the Commandant on 05, April 2016, and today, when he proceeds on a posting to Nagpur, eloquence deserts us, as, in moments of great change, it can be hard to find words in order to express the strong emotions we feel.

As an officer, he has served in all parts of the country having acquired vast experience from his association with Mechanised Division. He has been a keen sports person of Boxing, Hockey, Cricket, Rifle Shooting and Marathons at RIMC and Adventurist who is passionate about Mountain Biking and Trekking. He has served along the western frontier and in counter insurgency operations. He has served with Staff Counseling and Welfare Section with United Nations peacekeeping forces in Sudan. A Post Graduate from Madras University, he is a Gold Medalist in M.PHIL from Himachal Pradesh University, Shimla.

During his tenure, he has worked incessantly and unflinchingly in both Scholastic and Co-Scholastic realms, simultaneously fulfilling all administrative incumbencies, maintaining inter personal relations with other schools and social commitments. Above all, the pastoral care that he rendered to each and every Cadet has been truly remarkable. The performance, behavior, well being, progress, background of all the Boys have always been matters of foremost concern to him, a responsibility that only a solicitous father fulfils out of his love and affection.

He inspired, stirred everybody's mind, widened the horizon, brought the Team together, trusting that it shall continue to do so even as he moves on. He has never assigned a work without being a part of it. It was his strength and wisdom that gave us our victories. His motivation and planning have always been admirable, accompanied by his unconditional love for his Alma Mater.

Col Vivek Sharma inspired the RIMC Soccer Team to fight tooth and nail and make a record achievement of two victories. The Cricketers, Sharp Shooters and Athletes shall be eternally grateful for his repeated endeavours towards augmenting the standards. The making of a National Champion in Squash came through with his consistent planning and motivation.

His personal interest and quality time that he has rendered to each Hobby Club is for everyone to see and appreciate. The intermingling of Drama and Debating Club was a superlative step that bore fruit, and today the D&D has become our crowning glory.

It was during his tenure that the Paper Recycling Plant received a new life, giving a fresh verve and fillip to the Alchemist Hobby. There has never been any Inter Section Quiz that has been conducted without his priceless contribution. It was his sustained and persistent motivation that propelled Journalism Club to become self reliant and produce paperless e-Chronicles. The RIMC Festilit 2019 was his mainchild that promptly grew popular with schools across the country vying for the coveted Title. The Cadets looked up to him for his expert counsel, specially the SSB candidates who were closely appraised by his discerning eyes.

In this challenging and noble endeavour, he has been ably and readily supported by the First Lady, Mrs Upasana Sharma. She has taken a keen interest in all the school activities, always inspiring us with her gracious presence, a mother incarnate for the Cadets, counseling and supporting them as and when the need arose.

On bidding him farewell, we would like to tell him that he leaves a legacy that would be cherished till eternity. He gave us direction, he gave us vision; he always led by respect: Farewell and God speed.

On behalf of the entire College, the Journalism Club wishes him ALL THE VERY BEST for his new appointment and his future endeavors.

POTS IN THE MAKING

Through the lachrymose visor of parting,
Infogged by the hand of wizardry,
An alchemical hand wielding strength and wisdom,
Ploughing the sacred earth with new seedlings
Awakening to their sleeping worth,
In the thundering skies the lightning streak
Zig zag coursing with "Hard Work @ fun"
Thru' choppy waters,
O Captain, Our Captain,
Unveiling 'Scholar Warrior' with a book and a gun.
For all our searching we couldn't find,
The still anchor of commitment you embedded in our mind

Unearthing success that lay in simplicity,
Exemplifying excellence, promoting synchronicity,
Diligence in your trim frame of being,
Spirit and substance you look forward to seeing,
We waited for orders, you gave us directions,
We prepared for targets, you gave us vision,
O Potter, on the Potter's wheel,
You sat watching,
With the right 'set and temper'
We are your pots in the making.

New Decade....

New Beginnings....

New resolutions and new ambitions were all that the refreshed cadets could talk about on the chilly evening of 16 January. Exchanging notes and incessant chatter marked the reopening of the College after a rejuvenating break as they entered a new year and a new Term.

Some days later, on 18 January, Commandant, Col Vivek Sharma kicked started the Term with the Special Assembly. As the tradition continues, deserving shoulders got heavier as the Appointments were embellished with Tabs to which they would then have to live up to. The RED TABS of the Cadet Captain went to Cadet Captain Aman Mishra. The BLUE TABS of the Cadet Adjutant were put on proudly by Cadet Adjutant Thanilkumar Singh and the GREEN TABS of the Cadet Quartermaster went to Cadet Quartermaster Andy L Khobung. The Section Commanders for the Term were-

Cdt Sec Com Bharat Kadian for Pratap Section

Cdt Sec Com Ayush Agnihotri for Ranjit Section

Cdt Sec Com Afrid Afroz for Shivaji Section

Cdt Sec Com Dayne Thiamsangliana for Chandragupta Section.

A thunderous applause broke as the College Appointments took pledge. Thereafter, the cadets marched out of the Auditorium with a steely and determined look in their eyes as they looked forward to the tough, challenging yet fun filled Term ahead.

Never once did they think, 'Why me...!', they seemed to say, 'Try me...!'
